

Together building new oases

OASES Sponsorship Opportunities

Oceanic Applied Sciences and Environmental Solutions (OASES), located on the east coast of central Florida, is a non-profit 501(c)(3) corporation designed to address various concerns with the oceans and the environment. Its purpose is to perform scientific research and use the results to both raise awareness and educate the general public about ocean and environmental issues.

Sponsorships are used to help support the scientific research and educational objectives of the organization. All contributions made to OASES are tax-deductible, as provided by law. The following is a listing of OASES sponsorship opportunities and their special recognition status.

Benefactor – \$50,000 +

Fellow – \$25,000 +

Associate – \$10,000 +

Sponsor – \$1,000 +

Supporter – \$250 +

Friend – \$25 +

Benefactors will have a wildlife area on the OASES campus named after them, announcement of their donation in a press release, and acknowledgement on the OASES web site with an active link to their web site (as applicable)

Fellows will have a room within the OASES campus named after them, announcement of their donation in a press release, and acknowledgement on the OASES web site with an active link to their web site (as applicable)

Associates will have an area within the OASES campus named after them, announcement of their donation in a press release, and acknowledgement on the OASES web site with an active link to their web site (as applicable)

Sponsors have their donation announced in a press release and are acknowledged on the OASES web site with an active link to their web site (as applicable)

Supporters are acknowledged on the OASES web site with an active link to their web site (as applicable) and will have a live oak tree planted on the campus on their behalf

Friends receive a letter of recognition and all official OASES news mailings

All Sponsorships will be prominently posted in a designated area of recognition within the main campus building.
